The LA-110 A2 SASS is a versatile, easy to use precision rifle in calibre 7.62 NATO ready to meet the demand of a modern army. Made from hard anodized, forged aircraft aluminium 7075 T6 the LA-110 A2 SASS can stand the hardest conditions (NATO AC 225 proven), always satisfying the user with uncompromising reliability. The slim, light weight design allows it to be stored away easily even when space is an issue. Combined with the fast aiming Kahles optic K312i the LA-110 A2 SASS is a complete solution for all applications associated with the use of high precision, semiautomatic rifles, supporting mission readiness in times of changing warfare.
Equipped with a night vision gear the LA-110 A2 SASS offers the possibility for night combat.
