LA-16
Assault Rifle

with different fields
of application

LA-16
Assault rifle

The LA-16 is a versatile, easy to use assault rifle ready to meet the demand of a modern army. Made from hard anodized aircraft forging aluminium 7075 T6 the LA-16 can stand the hardest conditions (Nato AC 225 proven), always satisfying the user with uncompromising reliability. The slim, light weight design allows it to be stored away easily even when space is an issue.
LA-16 is a complete solution for all applications associated with the use of high precision, fullautomatic rifles, supporting mission readiness in times of changing warfare.
