The LA-110 A2 is a versatile, easy to use assault rifle ready to meet the demand of a modern army/police. Made from hard anodized, forget aircraft aluminum 7075 T6 the LA-110 A2 can stand the hardest condition (NATO AC 225 proven), always satisfying the user with uncompromising reliability. The slim, light weight design allows it to be stored away easily even when space is an issue.
LA-110 A2 is a complete solution for all applications associated in the use of high precision, fullautomatic or semiautomatic rifle, supporting mission readiness in time of charging warfare.
