GL40mk1
Grenade Launcher

The GL40mk1 is a versatile, easy to use Grenade Launcher ready to meet the demand of a modern army. Whether it is to be used under barrel of every kind of an assault rifle or stand alone, its quick release mount with optional Picatinny rail connectivity allows it to switch from one scenario to another in a split of seconds. Made from highest quality material the GL40mk1 can stand the hardest conditions (Nato AC 225 proven), always satisfying the user with uncompromising reliability. The compact, light weight design allows it to be stored away easily even when space is an issue. Combined with the fast aiming Ringsight® the GL40mk1 is a complete solution for all applications associated with the use of 40mm weapons, supporting mission readiness in times of changing warfare.
Amendet with a red dot sight the GL40mk1 offers the possibility to take control of point targets on short distance.
