The LA-15 A2 is a versatile, easy to use sport rifle ready to meet the demand of a modern sportshooter. Made from hard anodized, forged aircraft aluminium 7075 T6 the LA-15 A2 can stand the hardest conditions (Nato AC 225 proven), always satisfying the user with uncompromising reliability. The slim, light weight design allows it to be stored away easily even when space is an issue.
The LA-15 A2 is the optimum solution for all applications associated with the use of high precision, semiautomatic rifles.
